

Irish Folk Rock from the heart of Bavaria

Wherever they perform, Tir Nan Og captivate their audience with their unique Irish folk rock sound. Their songs are a pure celebration of rock and acoustic punk, or they carry you off into darker, more reflective realms—before you know it, you're singing and dancing to their infectious melodies. Every concert is an explosion of stirring instrumentals and powerful vocal performances. With Tir Nan Og, every show becomes an unforgettable adventure.

With over 400 live shows under their belt, Tir Nan Og are no newcomers to the stage, yet they constantly reinvent themselves while staying true to their (Bavarian) Irish roots. They blend Irish zest for life with powerful choruses and acoustic punk, taking their fans on a musical journey to the land of eternal youth—in true Celtic spirit, as their band name suggests.

Across six albums, Tir Nan Og celebrate timeless Irish themes like love, life, death, and the joy of a good drink—but their sound is anything but traditional. With driving beats, catchy melodies, and rich harmonies, these Bavarian Irish open a portal that transports you straight to the Irish Otherworld. Inspired by the legends and myths of the Emerald Isle, Tir Nan Og weave these tales together with contemporary issues, personal messages, and an unrelenting Irish love of celebration.
